Yard & Snow Help from Two Neighborhood Kids

Hi! We're **Adrian and Adrian**. $A \times A = A^2$, so we're **A Squared**! We want to help our community all year, right here around Lilac Court.

FALL

Leaf Removal

We rake, blow, and bag your leaves, then set the bags at the curb. No equipment needed.

WINTER

Snow Shoveling

Driveways, sidewalks, paths, and snow melt. Ask about our Season Pass: every storm, all winter!

SPRING & SUMMER

Gardening

Weeding, planting, watering, and more. Tell us what your garden needs!
